

Aircraft Maintenance - Owner/Operator

This safety seminar will provide information on authorized owner/operator maintenance, and preventative maintenance issues. Discussion will also include LSA/EAB aircraft.

Addition topics: Medical Reform Bill, FAA Compliance Philosophy and an introduction to Unmanned Aircraft Systems, regulatory requirements and live demonstration.

Directions: Wings Over Republic 2016
The safety seminar tent will be located on the airport grounds.
(Ferry County Airport - R49)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
